

## The Strawberry Pledge

Snip, Sip + Sew 2017

*Your time is valuable and we appreciate that you have chosen to spend it with us. This weekend is for you - no agendas and no justification necessary for you to be here. **This is for the pure unadulterated joy of creating.***

*This is your happy place where time has no hold on you.*

*We are going to challenge you to step out of your comfort zone and try something new. It's about fun, spontaneity, being open to suggestions, breaking rules and communicating with our fabric. And most importantly, please appreciate our time together as a supportive community of women.*

## THE STRAWBERRY PLEDGE

**I, \_\_\_\_\_, pledge to relax, have fun, have no worries, no tears or fears. I pledge to try something new, break a few of my own rules and be open to suggestions.**

*\*The strawberry on the pincushion is filled with emery; used to sharpen your pins and needles. For this weekend it is symbolic of your commitment to yourself. It represents your happy place. It will be used as a redirection should we forget our SSS vows.*
