WORLD COLLAGE DAY

Creative Circle: Co-Creation

3 hours of crafting & connection during the global day celebrating paper and timeless cut and paste. Collage is ultimate creative freedom. Take what you already have and layer, layer, layer it into a unique work of art. Gather your stash of prints, precious papers, book pages, tissue/gel prints, and all things collage fodder for a day of play to create a whimsical 'pocket' mixed media book. We'll be intentionally and intuitively creating a chunky mixed media book, organizing ephemera, cutting/pasting with personalized embellishments. If you can cut - you can collage! *Beginners-Intermediate-Advanced makers welcome.*
