FABRIC BANNERS

Creative Circle: Craftivism

3 hours of crafting & connection! Make 1-3 banners of words/phrases of affirmation and/or social commentary. This is a **no-sew** project using ordinary items to create large fabric banners from easily sourced upholstery panels, pillow cases and fabric remnants. Letters will be stenciled/hand drawn onto fabric and then ironed onto banners to create meaningful affirmations. They can be embellished at home w/ hand stitching, more applique or adding tabs for hanging. We'll be choosing our own words/phrases, selecting contrasting/complimentary textiles, measuring, drawing, cutting and ironing onto medium sized fabrics. Beginners-Intermediate-Advanced makers welcomed!
