

DESTASH SWAP

#1 BUNDLE STASH

PRIOR: Organize, sort and count your stash. The total count of your **items/bundles** determines the amount of swapped items you return home with.

For swap effectiveness, please bundle your smaller items by using inexpensive baggies, tape or string. All bundles count as "1" item.

#2 DISPLAY STASH

ARRIVAL: Welcome!

Get a name tag and start self-sorting by placing your stash on the multiple identified swap tables. Categories are placed throughout Art Central Foundation.

#3 SWAP STASH

SWAPPING: To "purchase", simply think, 1:1 swap. You get to choose one item/bundle for every item/bundle you brought to swap. This is sharing economy, if you bring 10 items, you get 10 in items in swap, 5 for 5, 20 for 20, etc. Much like a roadside farm stand, the honor system is used in tracking swapping.
