## BRING WORKSHOP SUPPLIES:

- Jar of gel acrylic medium 8 oz and a brush for applying. Nellie uses Golden
- Pliers
- Apron and an old rag
- Various paint brushes; bring your favorites, I like to use a 3/4" flat brush
- Palette knives; please bring the shapes that you enjoy working with, I use styles # 63, 81, 109, 132 found at hobby stores or Dick Blick.
- Pencil
- Photocopy images; I would recommend printing your images onto a printer (inkjet or toner), versus using the original, unless that is what you would like to use in your book. I like to use cheap copier paper to print my images onto.
- Spray bottle; I use a ultra fine mist sprayer; Nellie purchased hers from Hobby Lobby
- We will be going on a nature walk, collecting items; sticks, feathers, twigs, etc. If you want to bring any of these items ahead of time, this is optional, as there is no guarantee that everyone will find exactly what they are looking for.
- We will be doing a tea bath, to stain some of our papers. Recommended bringing various papers (old papers from books, newspapers, postcards, tickets, etc) images, small pieces of fabrics, small pieces of scrapbook papers, book covers, ribbon + trims
- A couple pieces of old rusty parts; nails, washers, bolts, chains, etc. These will be used in your bundles, for the tea bath.
- OPTIONAL: Various fabrics; light to medium; ou would use these fabrics, if you would like to create a fabric wrap for your book
- OPTIONAL: Ephemera, old papers, cloth from the spine of books or found objects
- if you would like to add buttons, a found object for the closure of your book, papers, book covers, images, etc.
- OPTIONAL paints: if you have favorite paints that you want to work with, I would bring them. Nellie will be supplying many colors, but not all.
